Please include any noteworthy information you would like to share with our Board of Directors here:

We began our new program year 10/1/2022 and continue to see an increased need for housing services. Rent costs are rising in our service area and is causing a hardship for our neighbors. Also, the increase in energy costs and inflation continue to negatively impact our neighbors. We are very grateful to Eastman Employee Credit Union employees who provided us with a \$8085.35 donation from their *Casual for a Cause* campaign to help meet the needs of our neighbors. The letter stated:

"We are excited to announce that Upper East Tennessee Human Development Agency was selected by ECU staff as a recipient during the 2022 campaign. We have enclosed a check for your organization's portion and hope that it helps support the vital work you are doing. This year has been difficult for many, but know that ECU is beside you and appreciates the hard work and dedication to serving those of need in the communities that we all live in."

Thank you!
